

Trail Markers for Communicating your Location to 911

Each trail has its own trail marker symbol.

For example, here is the trail marker you will see on Porcupine:

Here is the trail marker you will see on Tonkawa:

Each trail has its own letter and number combinations written on each symbol.

(Example: Porcupine markers are labeled P1, P2, P3, etc.

Tonkawa markers are labeled T1, T2, T3, etc.)

If you need to call 911:

1. Find the nearest trail marker to you.
2. Tell 911 the letter and number combination.
3. This will help them locate you.
