## Texas Government Code Sec. 423.008 Texas House Bill 912 Law Enforcement Use of sUAS Report January 1, 2021 – December 31, 2022

IN HONOR OF  
OFFICER KEN COPELAND E.O.W. 12/04/2017 AND OFFICER JUSTIN PUTNAM E.O.W. 04/18/2020

2300 SOUTH IH 35 • SAN MARCOS, TEXAS 78666 • PHONE 512.753.2110 • FACSIMILE 855.271.7627  
SMPD\_INFO@SANMARCOSTX.GOV

**San Marcos Police Department**  
**Report for the Use of Small Unmanned Aircraft Systems (sUAS)**  
January 1, 2021, through December 31, 2022

This document has been created to meet the requirement for law enforcement use of small Unmanned Aircraft Systems (sUAS) according to Section 423.008 of the Texas Government Code.

Background:

In 2013, the 83<sup>rd</sup> Texas Legislature passed H.B. 912. The bill requires that no earlier than January 1 and not later than January 15 of each odd-numbered year, a municipal law enforcement agency located in a county or municipality with a population greater than 150,000 that used or operated an unmanned aircraft during the preceding 24 months shall issue a written report to the Governor, the Lieutenant Governor, and each member of the Legislature.

In accordance with H.B. 912, this report includes:

1. Number of criminal investigations aided by the use of the unmanned aircraft and a description of how the unmanned aircraft aided each investigation;
2. Number of times the unmanned aircraft was used for a law enforcement operation other than a criminal investigation, the dates and locations of those operations, and a description of how the unmanned aircraft aided each operation;
3. Type of information collected on an individual, residence, property, or area that was not the subject of a law enforcement operation and the frequency of the collection of this information; and
4. Total cost of acquiring, maintaining, repairing, and operating or otherwise using each unmanned aircraft for the preceding 24 months.

In addition, SMPD retains the report for public viewing at its headquarters located at 2300 IH 35 South, San Marcos, Texas, and has posted the report on the department's publicly accessible website.

## OVERVIEW

The San Marcos Police Department utilizes a DJI Matrice 210 (V2), a DJI Matrice 200 (V2), a DJI Mavic 2 Enterprise Zoom, a DJI Mavic 2 Enterprise Dual and 2 DJI Mavic Air aircraft. These aircraft are purchased, owned, and insured by the City of San Marcos. The San Marcos Police Department is authorized to fly anywhere within the incorporated city limits of San Marcos or surrounding areas during daylight and nighttime hours under the Federal Aviation Administration's Part 107 rules. The San Marcos Police Department can also fly beyond visual line of sight in dangerous, emergency situations (BVLOS) and apply for extensions in flight ceilings under a Federal Aviation Administration Certificate of Authorization (COA). This COA was issued to the Hays County Office of Emergency Management. The Hays County Office of Emergency Management allows this COA to be utilized by any public safety organization within Hays County.

The San Marcos Police Department sUAS Unit is utilized for a multitude of calls under the authorization of the Texas Government Code, Section 423, including assisting the Criminal Investigations Division with Felony Offenses, Persons and Articles searches, SWAT deployments, and Motor Accident Crash Reconstructions. The Unit is also called upon to assist other law enforcement, fire agencies and other city departments such as electrical utility department, which do not have UAS resources available.

The San Marcos Police Department sUAS Unit operates both independently and in conjunction with the Hays County Sheriff's Department sUAS Unit in the event either unit requests assistance. The San Marcos and Hays County sUAS Units are also attached to the San Marcos / Hays County joint SWAT Team and deploy on all SWAT activations.

## DEPLOYMENT INFORMATION

Between January 1, 2021, and December 31, 2022, the San Marcos Police Department had a total of (469) sUAS Deployments / Flights. The flights are broken down into 5 categories.

- 1) Training and Maintenance – 195 flights
- 2) Mapping and Evidence Collection – 35 flights
- 3) Search (Missing, Endangered, Wanted Persons) – 101 flights
- 4) SWAT Activation – 123 Flights
- 5) Public Relations – 15 flights

The following table depicts the flights by date: *(Note – Table style will change on 08/26/2022 as DroneSense was implemented for Flight Information Collection)*
