

Public Services
Meter Test Authorization

I, the account holder, request the City of San Marcos test the electric meter / water meter (size 1" or smaller) at _____.
(Address) **For water meters larger than 1", please call 512-393-8010 to discuss scheduling and fees.**

I am aware I will incur a \$55 fee for the electric meter test and/or \$35 fee for the water meter test on my utility account if the test results indicate the meter meets American National Standards Institute standards or American Water Works Association.

Utility Account Holder Signature: _____

Date: _____

Preferred Contact Number: _____

Note: Once the authorization is received, the Water and/or Electric Utility will contact the account holder to schedule a meter test.
